## **"Chernobyl Day"**

### **One month to go before the international day of action against nuclear**

All around Europe, and even worldwide, demonstrations and other kind of events will take place on 26 April 2008 to say "NO" to nuclear energy.

The Greens of the different countries will join the movement, highlighting both the dangers of nuclear energy but also the already existing alternative solutions to tackle climate change.

For further information and to get the list of the actions which will take place in your country:  
Website on the "Chernobyl-day"
