Conclusion of the EU-Canada CETA

Greens/EFA motion for resolution

In their motion for resolution which was tabled on behalf of the Group, the Greens/EFA explain why they decline their consent to the conclusion of CETA.

Here are the reasons:

1. **CETA may undermine European democracy**
2. **CETA may undermine European environmental standards and a green energy transition**
3. **CETA may undermine European public welfare standards**
4. **CETA may undermine European social standards**
5. **CETA may undermine sustainable European agriculture**
6. **CETA may undermine a forward-looking European industrial policy**
