## **Conclusion of the EU-Canada CETA**

### **Greens/EFA motion for resolution**

In their motion for resolution which was tabled on behalf of the Group, the Greens/EFA explain why they decline their consent to the conclusion of CETA.

Here are the reasons:

- 1. CETA may undermine European democracy**
- 2. CETA may undermine European environmental standards and a green energy transition**
- 3. CETA may undermine European public welfare standards**
- 4. CETA may undermine European social standards**
- 5. CETA may undermine sustainable European agriculture**
- 6. CETA may undermine a forward-looking European industrial policy**
