A day in Fukushima - A week in Japan

Notes from a journey

Accompanied by two Japanese anti-nuclear activists, her policy adviser Silke Malorny and the former head of the Bulgarian Nuclear Regulatory Agency, Gueorgui Kastchiev, Rebecca Harms went on a lecture and research tour to Tokyo, Osaka, Matsuyama City, Yokohama and Fukushima. Based on her notes from the journey and her pictures, she wrote the book "A day in Fukushima - A week in Japan. Notes from a Journey".
