## EU climate policy

### German Greens' "Brüssels' declaration: 5 steps towards the 2°C target"

The declaration (only in German) gives 5 key action points to the German government:

1. Give priority to energy efficiency;
2. Ownership unbundling to protect the climate and for fair competition;
3. Tough CO<sub>2</sub> limits for efficient cars and an innovative car industry;
4. Renewables first;
5. Full auctioning for a strong emission trading.
