Europe Day

Greens/EFA launch new .eu address

The Greens/EFA group in the European Parliament has chosen the occasion of Europe Day, 9 May, to announce the launch of its new .eu address.

With members from 13 EU states and coming from two pan-European political parties, it is only natural that the group should have a European web address. The domain can only serve to strengthen awareness of European identity.

The Greens/EFA website is now available at the address www.greens-efa.eu.
