## Renewable energy

**There are no real technological or resource limits constraining the development of renewables!**

**The Greens** urge on the European Commission and the Council to adopt and implement EU policies and measures which will:

- **Expand the EU share of renewable energies from 12% in 2010 to at least 25% by 2020;**
- **Allow at least 50% of all energy research within the 7th Framework Program for energy efficiency and renewable energies.**
