Ask us anything (on climate)

Live Q&A: Register here

Tuesday 14 December is going to be a big day for climate in the EU:

On this day the European Commission will publish a big chunk of legislative proposals on Fit for 55, the European climate package. We also expect news on the taxonomy - if energy from nuclear or gas will be greenwashed. That is why we have asked three of our MEPs to sit down for a live Q&A in which they will answer your questions (on climate).

Our MEPs Jutta Paulus, Marie Toussant & Bas Eickhout are ready for your questions on Monday 13 December at 17.30h, on all social media channels. Please register, so we can send you a reminder. When you register, you can already send in your questions as well. We hope to pick them up in our Live Q&A!
