Freedom in a time of crisis

A Greens/EFA conference

"Freedom in a time of crisis" is part of a series of hearings and conferences on the state of the issue and the challenges the EU faces. This first conference, organised by the Greens/EFA Group in the EP, in cooperation with [PEN International](#) - with support from the European Cultural Foundation - will focus on writers: we want to know more on the situation of writers around the world. Speakers include John Ralston Saul, President of [PEN International](#), the largest international association of writers. To learn more about different cultures and perspectives on freedom and justice, the Greens have invited writers of diverse origins: Tahmima Anam (Bangladesh), Kamila Shamsie (Pakistan), Emine Sevgi Özdamar (Turkey).
