From Maidan Square to the European Parliament

Public hearing on the situation in Ukraine

- [Watch the video of the event](#)

The Greens have expressed serious concern about the situation in Ukraine and the crackdown against democratic pro-EU demonstrations and pushed to ensure it is a priority item of this week's plenary session. The EU needs to do all in its power to support the pro-European mobilisation. To this end, the Greens have pushed for a special EP delegation to be sent to Kiev. This hearing will provide an opportunity to discuss the situation with those on the ground.

Greens/EFA Co-Presidents **Rebecca HARMS** and **Daniel COHN-BENDIT** are pleased to invite you to a public hearing on the situation in Ukraine

with Ukrainian guest speakers:

- **Iegor SOBOLIEV**, former journalist, co-founder of a new political movement "Volia"
- **Svitlana ZALISHCHUK**, activist of the civic movement "New Citizen"
- **Juri DURKOT**, journalist
- **Dr. Kyryl SAVIN**, Director, Regional office Kiev, Heinrich-Boell Foundation
