## **Future of Cohesion Policy**

### **A stakeholder meeting**

The GreensEFA group in the European Parliament organise a meeting with partners from local and regional authorities and councils on the future of Cohesion Policy.

A close cooperation with local and regional partners is crucial for our parliamentary work. In the context of the future of Cohesion Policy, we aim at receiving feedback on our concepts and our positions which we will introduce in the ongoing debate as well as listening to concerns and approaches for the future funding period. We would be particularly interested in learning from the various experiences on the ground relating to safeguarding the sustainable use of EU funds and to the implementation of the partnership principle.
