Simultaneous interpretation in EN - DE - FR - I - NL

In the EU rural and remote areas new initiatives are increasing through the use of digital information tools for facilitating shared sustainable mobility, interconnected with public transport services.

This event intends to show a few examples of such initiatives and discuss how to put the promotion of such solutions higher on the agenda of EU transport policy.

15:00 -15:10

Welcome by **Michael CRAMER** - MEP Greens/EFA, Chair of TRAN Committee
