## Towards an international regulatory framework for pesticides

### II CONFERENCE

The Second Conference, “Towards an International Regulatory Framework for Pesticides,” aims to foster dialogue on the indiscriminate use of pesticides, their effects on human health and the environment, and potential solutions to these pressing issues. The event is scheduled to take place on December 12–13, 2024, in Brussels, Belgium.

This conference is being organized under the leadership of Members of the European Parliament—Mr. Martin Häusling, Mrs. Majdouline Sbai, and Mrs. Tilly Metz – in collaboration with the International Pesticide Standard Alliance (IPSA), the Heinrich Böll Foundation, the International Centre for Water and Transdisciplinarity (CIRAT, Brazil), the Brazilian Federal Public Prosecutor’s Office (MPF), and the Brazilian Ministry of Labour Prosecutor’s Office (MPT).
