## **TTIP: A Race to the Bottom**

### **Video**

Corporations on both sides of the Atlantic are using TTIP to lower standards and regulation in order to maximise their profits. 'Regulatory coherence' may sound innocent, but it could have a very real impact for citizens in Europe and the US. Greens in the European Parliament don't want our standards lowered under TTIP! Visit us at [www.TTIP2014.eu](http://www.TTIP2014.eu) and follow us on Twitter: <https://twitter.com/TTIPBeware>
