EU climate and energy summit

The 2030 targets: what's at stake?

EU heads of state and government are meeting at a high-level summit today and tomorrow (23-24 October) to decide on the EU's climate and energy policy to 2030. With headline targets on greenhouse gas reductions, renewable energy share and reducing energy consumption set to be decided, the stakes could not be higher. Our Green MEP Claude Turmes has set out what is at stake.
