EU Leaks

The Greens/EFA support whistle blowers

We believe that whistle-blowers play an important role in revealing information that is in the public interest, yet they often lack sufficient protection and are vilified, despite the positive changes they can help bring about. Because of this, we have decided to set up a secure email account, which allows you to blow the whistle in defence of the public interest, whilst remaining anonymous.

You can write to our MEP Sven Giegold using a secure, public PGP key.
