Greens/EFA Amendments to the Multiannual Financial Framework post 2028 Own Initiative Report ahead of the publication of the initial EU Commission proposal

MFF

The Greens/EFA want ensure that the multiannual financial framework (MFF) from 2028 underpins and strengthens European values and long term political priorities as well as adequate replies for political challenges and is therefore fit for purpose. This requires a forward-looking and constructive approach to resource allocation while addressing key political and economic challenges.
