Greens/EFA future priorities regarding Cohesion Policy and Regional Development

A position paper

This paper has been conceived at the midterm of the current election cycle 2019 - 2024. It is an initiative to gain a clear perspective on the remaining 1.5 years of the mandate, to streamline the work of the Greens/EFA group in the Committee on Regional Development (REGI), agree on our shared vision on Green Regional Policy, and create a common understanding of the strategy moving forward.
