Bad news for business and consumers on both sides of the Atlantic

Donald Trump/car tariffs

On US President Donald Trump's announcement of new tariffs on imported cars, **Bas Eickhout**, Co-President of the Greens/EFA Group in the European Parliament, comments:

"Tariffs ultimately hurt everyone and will drive up prices for cars in the EU and in the US. The announcement is bad news for business and consumers on both sides of the Atlantic."

Terry Reintke, Co-President of the Greens/EFA Group in the European Parliament, comments:

"The next move in the US government's anti-economic course will not catch the EU unprepared. The EU Commission's response must be clear and decisive. We will not let Donald Trump divide us."
