Press release 02.03.2022
EFA Group Statement
EFA Group believes there is no justification for the invasion of Ukraine and the attack on its sovereignty by the Russian Federation.
As a party that stands for democracy, the right to self-determination and minority rights across Europe, EFA firmly condemns the military aggression and therefore distance ourselves from the vote made by EFA MEP Tatjana Ždanoka against the final text of the European Parliament's joint resolution "Russian agression against Ukraine".
