The Greens/EFA group has just chosen Anna Cavazzini as candidate for the chair of the IMCO Committee

The MEPs of the Internal Market and Consumer Protection Committee will elect the new chair on 26 October. If elected, Anna Cavazzini will succeed Petra De Sutter, who has moved to the new Belgian government as Deputy Prime Minister.

Anna Cavazzini, Greens/EFA Member of the IMCO committee, comments:

"I am delighted with the confidence my group has shown in me and I thank Petra De Sutter for her successful work and her dedicated commitment as Chair of the Committee on the Internal Market and Consumer Protection.

"The European internal market will be the cornerstone of the digital transformation and the Green Deal. If elected, I would like to involve civil society even more, make the Committee a place of lively public debate and bring the full weight of the Committee to bear in upcoming decisions on digitisation, consumer protection and a sustainable internal market."
