The Greens/EFA Group are deeply saddened to learn of the passing of Josep Maria Terricabras, former EFA Group President and Greens/EFA MEP (2014-2019).

Josep Maria Terricabras was a philosopher and academic, committed to creating a just and equitable society and dedicated to the independence of Catalonia.

Our heartfelt condolences go out to his family and friends.

Philippe Lamberts MEP, President of the Greens/EFA Group, said:

“Josep Maria was a truly compassionate and committed individual. Working alongside him was a privilege and a pleasure, we always valued his wisdom, intelligence and humour.”

“He held steadfast convictions and principles, always striving for the betterment of our society. He will be sorely missed. Our thoughts are with his family and all those whose lives he touched.”

Jordi Solé MEP, First Vice-President of the Greens/EFA Group, added:

“I had the privilege of working closely with Terricabras, especially during challenging times such as the Catalan Referendum and the subsequent repression.”

“His intellectual prowess and sense of humour, along with the wisdom he imparted, were invaluable. His dedication to our country and his unwavering beliefs in making it better represent a significant loss for our political family.”

“Terri, we will miss you dearly. Moltes gràcies per tot.”
