

## Draft speakers and subjects for EMIS hearings – First part of the year

The “matrix” has been prepared by the EMIS Secretariat on the basis of the political groups' input and reflects the draft working plan of the EMIS committee of inquiry. It is constantly updated to include decisions in coordinators' meetings.

It focuses in particular on the first half of the EMIS mandate starting with evidence gathering and technical expertise. For completeness, the table also includes the indicative timetable for the report as agreed by coordinators on 16 March.

Following coordinators' decision on 14 April, as a general rule each meeting slot (3h30') will accommodate 2 speakers, to be chosen from the options presented by the groups. The number of questions to be asked and the sequence of speakers are shown in the following table:

<b>Speakers</b>	<b>Length of <u>each hearing</u><sup>1</sup></b>	<b>First round (50')</b> <b>(5-minute slots: 1' Q - 4' A)</b>	<b>Second round (36')</b> <b>(3-minute slots: 45" Q - 2'15" A)</b>
2	1 hour 41 minutes	10 questions (2 Rapporteurs + 1 representative per political group)	12 questions (4 EPP, 4 S&D, 1 ECR, 1 ALDE, 1 GUE/NGL, 1 Greens/EFA)  Speaking order: EPP, S&D, EPP, S&D, ECR, EPP, S&D, ALDE, EPP, S&D, GUE/NGL, Greens/EFA

<sup>1</sup> 15 minutes are left for the Chair's introduction (5') and the guest's opening statement (10')
