Dear Mr Schlyter,

As you may be aware, a new EU-wide campaign has recently been launched campaigning on behalf of electronic cigarette users, their friends, and their families. Full details of this campaign and their letter can be found at www.saveecigs.com.

Representatives of the campaign will be in Brussels on the 1st and 2nd of October and we would very much like to take this opportunity to meet with you for no more than five minutes to set out our views and to answer any questions you may have regarding the regulation of electronic cigarettes ahead of the vote in Strasbourg on the 8th of October.

We very much hope that you will be able to spare a small amount of time to meet with us ahead of this crucial vote.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Katie Knight
